

DIAGRAM OF THE FEDERAL GOVERNMENT AND AMERICAN UNION
N. MENDAL SHAFER,
 Attorney and Counsellor at Law, Office No. 53 Masonic Temple,
 CINCINNATI.

The plan of the diagram is to show the whole machinery of the Federal Government, and the manner in which it is connected with the States. It is intended to be a practical and useful work, and is the result of a long and careful study of the Constitution and the laws of the United States. It is the only work of the kind ever published, and is the only one that is both accurate and complete. It is the only one that is both practical and useful, and is the only one that is both accurate and complete. It is the only one that is both practical and useful, and is the only one that is both accurate and complete.

Executive Department. The Executive Department is the highest authority in the United States. It is the only one that is both practical and useful, and is the only one that is both accurate and complete. It is the only one that is both practical and useful, and is the only one that is both accurate and complete.

Legislative Department. The Legislative Department is the highest authority in the United States. It is the only one that is both practical and useful, and is the only one that is both accurate and complete. It is the only one that is both practical and useful, and is the only one that is both accurate and complete.

Judicial Department. The Judicial Department is the highest authority in the United States. It is the only one that is both practical and useful, and is the only one that is both accurate and complete. It is the only one that is both practical and useful, and is the only one that is both accurate and complete.
